

And God Said

Emi9 Cma7
Nearly everyone I know claims to have heard your voice
And every time they do, I know I should rejoice
Because one day I'm sure you'll break your silence
And speak just to me

Fma7
But I feel like time's running out
Bbma7 Ami7 Emi/A Bmi7/E
My heart is, my heart is filling with doubt
Ami7/D
And God said

[Chorus 1]
Bbma7 Fma7 E7sus
I don't dwell upon you, I dwell on something else
I am not really here, so get over your self

[Verse 2]
I've tried to follow every rule they said you handed down
And spread the sacred testimony all around
But still the others seem to have your ear but never will I
Fma7 Bbma7 Ami7 Emi7
Have I displeased you somehow? Can't help, can't help feeling left out
Am7/D
And God said

[Chorus 2]
Bbma7 Fma7 Bmi7/E
There's no anger in me, you must mean someone else
Bbma7 Fma7 Bmi7/E
'Cause it's not me that you see, you're looking at yourself
Bbma7 Fma7 Emi9
And I won't give you a prize instead of someone else
Bbma7 Fma7 Emi9
'Cause I don't play favorites, so get over yourself
|Gsus/C |C C7sus |C11 |Bb/C | Gsus/C C C7sus C11 Bb/C
Just Get over your - self

Is it my fear, is it my pride is it my vanity
Should your name just be denied to save my sanity
What is the price I need to pay to get what others seem to grasp so easily
Pity your servant your slave who'll kiss, who'll kiss your feet to be saved
Save me save me and God said

Bbma7 Fma7 Bmi7/E

You are not serving me your serving something else
You can't suck up to me I know you all too well
But I don't dwell upon you so get over yourself
And you're not praying to me your praying to yourself
And you're worshiping me your worshipping yourself
And you will kill in my name and heaven knows what else
And you can't prove I exist so get over yourself

Just Get over your - self
